

Mama's Black Sheep

Good Morning Everyone!

It's springtime here at Sheep Central and in between shows we've been busy with yard work, projects, and enjoying the mostly lovely weather of the past few weeks. Many thanks to everyone who made it out to a live show, or tuned into a streaming show during our Sirens Of Spring "Light" Tour with [Christine Havrilla](#). Although the tour was light on quantity of shows, the quality of each show was amazing thanks to everyone who showed up or tuned in. We are always blown away by the support and love we feel from you. And, it's been so nice to be in front of *actual humans* while playing music!!! Check out the tour photo album [HERE](#) to see some of the highlights. Even though the tour is technically over, we will have a [livestream "make up date"](#) with Christine and our dear friends Scott and Jen of [Naked Blue](#) on Friday June 25th!!

Coming up this week, we are excited for our return to [THE POND](#) in Rehoboth Beach! As many of you know, The Pond has been the only venue we have [played](#) nearly every month, all year long, for many years now. Because of the pandemic, we have not been there since January of 2020, and in the meantime The Pond closed it's downtown location and moved into a fabulous new space on [Rt. 1 in Rehoboth](#). The new building has tons of free parking, lots of room for people to spread out, and a great new music space and stage in the bar area. They have some wonderful new staff members in addition to many of your downtown Pond favorites! The greatly increased kitchen space is turning out delicious food from the new improved menu, and the bar is fully stocked to accommodate the impressive new beer, wine & martini menus. This Friday, May 14th is not only our return to The Pond, but also Laura's Birthday, so we will be celebrating all weekend! See the details of this weekend and other upcoming events below.

As the weather warms and more venues are opening for live music both inside and outside, we will continue to book more shows. The pandemic certainly threw us for a loop (as it did for many of you), but it has also shown us new ways to connect with our fans, and perhaps given us a little more perspective on how we book our tours and conduct our business. Like many of you, we are striving to find a better balance between our work and home life, and we can't thank you all enough for your continued support both online and in person. Keep an eye on the [website](#) and [facebook](#) for updates and additions to the schedule.

We hope you are feeling good, staying healthy, and enjoying the things you love most.

See y'all soon....
