

Mama's Black Sheep

Hello Everyone,

We can hardly believe it's almost Fall....where did the summer go? As temperatures start to cool we will gradually be moving to more indoor events, but for now, we still have a few great chances to catch an outdoor show. After all, Fall is our favorite time (and arguably the most pleasant time) to be outdoors in the Mid-Atlantic! See below for the lineup of September events and be sure to check out the "save the dates" section at the bottom of this message.

We've got plenty of Mid-Atlantic shows coming up in the next 6 weeks, and in November we have our first tour to the Midwest since Covid hit! Yes, OH & KY, we're coming to see you in the beginning of November along with our dear friend [Christine Havrilla](#)! Later in November we've got a quick trip to St. Croix for some amazing events (more info coming soon island peeps!), followed immediately by an expanded list of "NOT SO SILENT NIGHT" Holiday shows with Christine Havrilla and Colleen Clark!

In addition to working on what is turning out to be a very eventful Fall/Winter season, we've also been busy here at Sheep Central creating a new line of Fall Merchandise just for EWE! We've got some great new Hoodie Tees, T-shirts and hats as well as a very special line of tees we are calling our "Better with EWE" Collection. Many moons ago, back in the early days of The Sheep, we created some adorable character tees in the style of the LIFE IS GOOD t-shirts. They have a small cartoon graphic on the front and a small Mama's Black Sheep logo on the back. In addition to re-issuing our two original designs ("EWE-nite" and "Love EWE"), we've added a third design ("EWE-rock") to round out the collection. We hope EWE love them as much as we do! The "Better with EWE" Collection is now available online in our [SHEEP SHOP](#) along with all of the other fall merchandise. We won't get the actual product for a few more days, but if you order early, you are guaranteed your choice of color/style/size before we take everything out to shows. (Get yours [NOW](#) and we will ship all online orders by the 22nd of September.)

Many thanks to everyone who has been out to shows and showing us the love all summer long...it's been a fun one! We appreciate you more than you know.

See y'all soon,
Ashland & Laura

Saturday 9/24 | Arden Musicfest | Inwood, WV

We're thrilled to be back at Arden Musicfest in Inwood! This is a private (by-invite-only) event held each year at a private residence. Sunday 9/25 | Nick's Fish House | Baltimore, MD

Join us for our last Sunday Funday of the season on the deck of one of our most favorite hometown venues, Nick's Fish House! Nick's has water views, and some of the best food & drinks in town! See y'all there from 4-7pm ****PLEASE NOTE: Nick's does not take reservations, and they have a two hour time limit on table seating on the deck. If you plan to come and eat a meal (which we highly recommend), we would recommend arriving around the start of showtime, and putting your name in with the hostess. It normally takes 30-60 minutes to get a table when it's busy there, so you can hang out at any of the three large bar areas, get a drink and listen to the band while you wait for your table. If you want to remain seated for the entire three hour show, we would recommend you arrive extra early and scope out seats at the bar or bar hi-tops which do not have a time limit. Reminder - PLEASE be kind and generous to the staff at Nick's!!! If they tell you your time at a table is up, then finish up and move to the bar areas. They are doing their best to keep a large establishment of patrons happy and fed!! ******
