

Mama's Black Sheep

Hello Everyone,
Happy Fall! We've been busy getting ready for lots of upcoming shows between now and January when we leave for our Winter Tour to St. Croix. Included in the mix are some local events in MD/DE/VA for the next few weeks, a short tour to the Midwest with Christine Havrilla in early November, a special Thanksgiving trip to St. Croix for two very special events, and then our "Not-So-Silent Night" series of Holiday Concerts with Christine Havrilla & Colleen Clark throughout the month of December! See what's coming up below.

No one really wants to talk about the Holidays yet, however, we still have lots of stock available in our fall merchandise via our [SHEEP SHOP](#)! Mama's Black Sheep hats, hoodie tees, vnecks, music, stickers, and koozies make great gifts for the music lover (or the black sheep) in your family! And have you seen our Limited Release "Better with Ewe" Collection of tees??? Check them all out [HERE](#)!

If you missed it on our social media this week, check out our [recent interview on James Ewen's "Your Take"](#). Your Take is a UK based series interviewing interesting people from various fields ranging from film, writing, television, sport, music, journalism, art, radio, academia, politics and other professions. We had fun sharing our history, musical backstories, and anecdotes from life on the road!

If you live in the Mid-Atlantic, we hope you've had a chance to get outside this week in the glorious fall weather! Make some soup, start a fire, collect beautiful fall leaves, bake some bread, walk your dog, prep your garden for winter, drink some Oktoberfest with friends, or just come to a show and take in some music...whatever makes your heart happy this time of year.

We hope to see y'all real soon!
